OSTEOPATHIC MEDICAL SCHOOL RECRUITMENT FAIR

SATURDAY, APRIL 17

Join us at this highly anticipated annual event, attracting hundreds of prospective osteopathic medical students from across the nation. Engage with representatives from more than 40 esteemed colleges of osteopathic medicine, participate in informative sessions on osteopathic manipulative medicine and gain valuable insights from student advisors. As a sponsor, your organization will enjoy prominent visibility through online and onsite event materials, showcasing your logo to thousands of students via emails, the event website and onsite signage. Additionally, your sponsorship grants you a dedicated table at the recruitment event. Discover more about our sponsorship levels below and seize this exceptional opportunity to help make a difference in a future physician's life.

Exhibitor & Sponsor Prospectus

LIBERTY BELL LEADER $7,500

(1 available)

In addition to being listed as our top sponsor, your organization will have the opportunity to send a sponsored email blast to future osteopathic medical students, be included in social media and have a table in a prime location at the event.

CITY OF CHAMPIONS SPONSOR $5,000

(2 available)

Your organization will be listed as a sponsor in event emails, featured on onsite signage and will have a table at the fair.

MARKET LUNCH SPONSOR $2,500

(2 available)

Elevate your brand's presence by sponsoring lunch options for the attendees, with your organization's logo prominently showcased at the lunch site.

PHILLY FUEL SPONSOR $1,000

(4 available)

Indulge students with delightful snacks and refreshments as they explore their options during the recruitment event.

APPLICATION LAUNCH SPONSOR $200

(limited to COMs)

Attendees will receive a ticket for the chance to win a voucher to cover the cost of their application submission. Colleges of osteopathic medicine (COMs) are invited to support this unique offering. If there is only one COM to support, there will only be one winner. We will award as many vouchers as the fund will allow. COMs will be identified as supporting this opportunity.
