Explore the DO Difference!

DO/PhD Programs

The schools listed below offer DO/PhD programs. Students in these dual programs can receive both the Doctor of Osteopathic Medicine degree and the PhD degree.

Michigan State University (MSUCOM)

DO/PhD: Seven graduate programs offered include Biochemistry and Molecular Biology, Cell and Molecular Biology, Genetics, Microbiology and Molecular Genetics, Neuroscience, Pharmacology & Toxicology and Physiology.

<http://do-phd.com.msu.edu//index.html>

Ohio University College of Osteopathic Medicine (OU-COM)

DO/PhD: Students select research mentors engaged in biomedically related research from the Department of Biomedical Sciences and the Department of Biological Sciences.

<http://www.oucom.ohiou.edu/Admissions/dual-degree-do-phd.htm>

Oklahoma State University Center for Health Sciences College of Osteopathic Medicine (OSU-CHS)

DO/PhD: Biomedical Sciences offers dual degree in seven program areas including Anatomy, Biochemistry, Cell Biology, Microbiology, Pathology, Pharmacology and Physiology.
