A.T. Still University–Kirksville College of Osteopathic Medicine (ATSU-KCOM) is the founding college of the osteopathic profession and provides the future physician with a strong curriculum, outstanding faculty, scientific research opportunities, preceptors, and an overall commitment to the education and advancement of osteopathic principles, practice and philosophy.

Mission Statement
The mission of A.T. Still University–Kirksville College of Osteopathic Medicine is to educate and train students to become highly competent osteopathic physicians and health care leaders. KCDM is committed to providing a quality osteopathic medical education in a research environment that prepares students for graduate medical training and clinical service.

Setting: Kirksville, MO; Rural
Date Founded: 1892; Private

Accreditation
A.T. Still University–Kirksville College of Osteopathic Medicine (ATSU-KCOM) is accredited by the Commission on Osteopathic College Accreditation (COCA) and by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools.

Institutional Affiliation
A.T. Still University also includes the Arizona School of Health Sciences (ASHS), the College of Graduate Health Studies (CGHS), the Arizona School of Dentistry & Oral Health (ASDOH), the School of Osteopathic Medicine in Arizona (SOMA) and the Missouri School of Dentistry and Oral Health (MDSOH).

2015–2016 Enrollment
Total medical school enrollment: 702
Total male: 410
Total female: 292
First-year enrollment: 172
First-year male: 102
First-year female: 70
Total enrollment affiliate institutions: 3,357

Curricular Offerings
The curriculum at the Kirksville College of Osteopathic Medicine is systems based and patient oriented. Innovative learning experiences have been adopted throughout its evolution, including:

- Case-oriented learning
- Anatomical ultrasound training
- EMR curriculum
- Interprofessional education opportunities
- iPad-based assessment
- Human patient simulation
- Integrated osteopathic theory and methods (OTM)
- Use of standardized patients
- Electives provided

Courses in the first two years align basic science and clinical content to prepare the student for the clinical rotation experience. The clinical rotation curriculum, delivered to students in regional sites during the third and fourth year, includes:

- Preceptor and hospital-based clinical training
- Didactics
- Osteopathic manipulative medicine (OMM)
- International rotation opportunities

Special Programs
- Still Well student wellness program
- KCOM offers a two-year Biomedical Sciences program that provides an opportunity for individuals aspiring to health science careers to become prepared for professional studies in medicine, education or research.
  www.atsu.edu/kcom/programs/biomedical_sciences/index.htm
- International Medicine Programs: Students may spend elective time during the fourth year at an international rotation site that is approved by Clinical Educational Affairs.

Postbaccalaureate Preparation Program
MS in Biomedical Sciences

Transitional/Conditional Admission Agreements
There is no linkage between the MS and DO programs, but candidates who apply and meet certain criteria can be assured an interview.

Facilities
- Connell Information Technologies Center, which opened in early 2008, houses the library, osteopathic manipulative medicine lab, student study areas and meeting facilities.
- Wireless campus
- Breakout study rooms equipped with plasma screens and/or white boards
- Centennial Commons
- Anatomy Laboratory
- Human Patient Simulator Lab
- Interprofessional Education Building
- Student Fitness Center
- Still National Osteopathic Museum
- Performance Assessment Center
- Daraban Ultrasound Center
