Total enrollment affiliate institutions: 10,000

Curricular Offerings
NYIT College of Osteopathic Medicine (NYITCOM) is recognized for its unique approach to teaching and learning. Guided by its vision to advance, transform, and illuminate both its students and the field of medicine, NYITCOM provides progressive, patient-centered, population-based osteopathic health care through transformative education and enlightening research. You’ll value a stimulating, self-affirming, comprehensive, and personal educational experience through our state-of-the-art classroom and research facilities, a sizable array of clinical experiences, dedicated expert faculty-physicians and faculty-researchers, and an impressive national network of alumni. And by being part of a larger institution that leverages technology throughout seven schools and colleges, you can pursue interdisciplinary opportunities to expand on your medical expertise and education.

Combined Degree Programs
Baccalaureate/DO – Seven-year BS/DO programs available with several colleges.
www.nyit.edu/medicine/
DO/MS – DO/MS in Clinical Nutrition available with NYIT.
www.nyit.edu/medicine/
DO/MBA – DO/MBA available with NYIT.
www.nyit.edu/medicine/
Academic Medicine Fellowship/MS in Neuromusculoskeletal Sciences: designed to prepare medical students to pursue careers in academic medicine including medical education, research and clinical practice. Five-year program allows students to receive DO and MS degrees concurrently. An academic scholarship is awarded for the last three years of the program. www.nyit.edu/medicine/

Special Programs
• Émigré Physicians Program (EPP) offered at NYITCOM Old Westbury campus only. This program provides an opportunity for internationally trained physicians to re-train as Doctors of Osteopathic Medicine.
• NYITCOM Educational Consortium (NYCOMEC) offers the largest internship program in the osteopathic profession. More than 400 interns and residents enroll in NYCOMEC programs during a typical academic year.
• International Medicine Programs: No

Preparatory Programs
None

Facilities
The academic campuses have advanced medical/training facilities which house state-of-the-art osteopathic medical laboratories, Smart Auditoriums that are fully equipped with cutting-edge presentation and recording equipment, and a specialized Institute for Clinical Competence (ICC), which incorporates standardized patients and human patient simulator robots.
