KEY UPDATES

FOR THE 2025-26 AACOMAS APPLICATION CYCLE

Update on Professional Transcript Entry (PTE) Service

As a reminder, the Professional Transcript Entry (PTE) service—offered through AACOMAS, the centralized application service for osteopathic medical schools—remains available for applicants who prefer assistance entering their coursework.

Please note the following fee structure for PTE:

- 1–3 transcripts: \$85
- 4–6 transcripts: \$110
- 7 or more transcripts: \$160

These fees are non-refundable and apply only to coursework entry. They are in addition to standard application fees. Fee waivers and coupon codes do not apply to PTE, and payments cannot be transferred between application cycles (e.g., for re-applicants or those applying in multiple cycles).
