Admissions Process
Individuals interested in applying to the Lake Erie College of Osteopathic Medicine for LECOM Bradenton must complete an online AACOMAS application and a LECOM Supplemental Application. Once LECOM receives the AACOMAS application, qualified applicants will receive an e-mail message providing information and instructions regarding how to complete the Supplemental Application. Applicants selected for a personal on-campus interview will be notified in writing from the Office of Admissions.

First-year class matriculant’s selection factors:
LECOM seeks candidates who exemplify the LECOM mission to prepare students to become competent osteopathic physicians who partner with their patients on the pathway to health and well-being.

Applicants should not only demonstrate success in their science courses, but also have proven themselves as well-rounded individuals who have been successful overall in their academic careers.

LECOM is also looking for students who meet the ethical and professional standards that the public expects of high quality health care professionals and who demonstrate an interest in community service and leadership.

LECOM encourages applicants to learn more about the profession by getting to know an osteopathic physician. Receiving exposure to the osteopathic medical philosophy. Working with a physician will prepare the applicant for the required admissions interview.

International students (non-U.S. citizens or temporary residents) considered: Yes
International students (non-U.S. citizens or non-permanent residents) will be considered on an individual basis. Non-U.S. citizens must provide documentation verifying that sufficient funds are available in a U.S. bank to cover all expenses to complete the program at LECOM and submit World Education Services (WES) transcript evaluations for all non-U.S. coursework. Additional requirements and information are available by contacting the Admissions Office.
