## General Information

### Mission Statement

Preparing physicians in the science of medicine, the art of caring and the power of touch with a world view open to all people.

### COM Description

The Michigan State University College of Osteopathic Medicine (MSUCOM) offers a friendly atmosphere combined with access to the resources of a Big 10 campus, a major metropolitan area hospital complex and a suburban campus located within a 20-mile radius of seven hospitals. Our Statewide Campus System includes more than 25 base hospitals located throughout the state of Michigan where students complete their clinical rotations.

**Campus setting:** Two suburban settings in East Lansing, MI, and Clinton Township, MI, and one urban setting in Detroit, MI.

**Year founded:** 1969

**Type:** Public, non-profit

**Accreditation:** The Michigan State University College of Osteopathic Medicine is accredited by the Commission on Osteopathic College Accreditation (COCA) and by the Higher Learning Commission of the North Central Association of Colleges and Schools.

**Institutional affiliation:** Michigan State University

### Facilities:

- The 5,200-acre East Lansing campus of Michigan State University includes gardens, museums, performing arts and sports facilities and working farms. The area hosts a wide variety of musical events and festivals, offers monthly gallery walks, and has several active community theater groups.
- The DMC site is located on the campus of the Detroit Medical Center in "midtown" Detroit, surrounded by several tertiary care hospitals and the Barbara Ann Karmanos Cancer Center. Within two blocks you find the Detroit Public Library, Detroit Institute of Arts, three museums, and the Detroit Science Center.
- The Macomb University Center site is within a 20-mile radius of seven hospitals which offer 600 osteopathic intern and resident positions. Macomb County has 31 miles of shoreline, 130 parks, more than 35 golf courses, and numerous restaurant and shopping opportunities.

### Student residence options:

MSUCOM does not provide campus housing. However, private apartment and townhome complexes with amenities desirable to students and young professionals are conveniently located throughout the area and neighboring communities.

## Curricular Offerings

Students may enroll in one of three different sites during their first two years. First year classes begin in mid-June with an intensified gross anatomy class. Our pre-clerkship program in years one and two integrates basic sciences, clinical skills and systems biology. A state-of-the-art human simulation laboratory and standardized patient assessment program provide opportunities to build clinical skills and the preceptorship program during second year provides early clinical exposure. For the Clinical Clerkship Program in years three and four, students are assigned to one of more than 22 affiliated base hospital training sites in Michigan. Clinical rotations begin July 31 of the third year. Elective courses and global health opportunities provide additional avenues to build competency and to individualize the medical education experience.

## Admissions Process

To be considered for admission, an applicant must:

1. Meet all the admissions requirements and technical standards for admissions. Please see [www.com.msu.edu/admissions/applying.htm](http://www.com.msu.edu/admissions/applying.htm) for a complete list of requirements.
2. Complete the primary and secondary applications.

Application evaluation is based on several criteria deemed important to the mission of the college, including, but not limited to: academic success, MCAT performance, exposure to the osteopathic profession, professional and community service experience, personal testimony, interview performance, and letters of evaluation.

For further information, please visit: [www.com.msu.edu/Admissions/MSUCOM-Selection-Process.htm](http://www.com.msu.edu/Admissions/MSUCOM-Selection-Process.htm)

### First-year class matriculant's selection factors:

MSUCOM looks for students who are academically accomplished, committed to service and well-versed in the philosophy of osteopathic medicine. In each area of evaluation, we examine your accomplishments within the context of your total life experience. Much like DOs approach their patients, we invite you to tell us your story. We use an aggressive rolling admission schedule. Early application is essential. Applicants must be prepared to begin classes by mid-June.

### International students (non-U.S. citizens or temporary residents) considered:

Yes  
Michigan State University policies can be found at [oiss.isp.msu.edu](http://oiss.isp.msu.edu). Requirements for admission can be found at [www.com.msu.edu/admissions](http://www.com.msu.edu/admissions).
