Note: Financial assistance obtained by students for academic year 2011-12 including repeaters.

Note: "-" indicates the number of students for other scholarships cannot be summed because one student may receive multiple scholarships.

¹Count of unduplicated students who received financial aid from any source known to the school and/or disbursed by school. Data within this column cannot be summed because students can receive multiple awards.

²Number of Awards per Student = Number of Awards / Number of Students with Aid; Data within this column cannot be summed because students can receive multiple awards.

³Scholarship Amount per Student = Total Scholarship Amount / Number of Students with Aid; Data within this column cannot be summed because students can receive multiple awards.

⁴% of Students with Scholarships = Number of Students with Aid / 2011-12 Enrollment; Calculation uses enrollment numbers from the 2011-12 Annual Osteopathic Medical School Questionnaire, provided by the COMs the previous year. Number of Students with Aid is from financial aid data collected in the 2011-12 Annual Osteopathic Medical School Questionnaire. Data within this column cannot be summed because students can receive multiple awards.

Source: AACOM, Annual Osteopathic Medical School Questionnaire, 2011-12 and 2012-13 academic years
