Note: Financial assistance obtained by students for academic years 2012-13 and 2013-14 including repeaters.

Note: "-" indicates the number of students for other loans cannot be summed because one student may receive multiple loans.

¹Count of unduplicated students who received financial aid from any source known to the school and/or disbursed by school. Data within this column cannot be summed because students can receive multiple awards.

²Number of Awards per Student = Number of Awards / Number of Students with Aid; Data within this column cannot be summed because students can receive multiple awards.

³Loan Amount per Student = Total Loan Amount / Number of Students with Aid; Data within this column cannot be summed because students can receive multiple awards.

⁴% of Students with Loans = Number of Students with Aid / 2012-13 Enrollment; Calculation uses enrollment numbers from the 2012-13 Annual Osteopathic Medical School Questionnaire, provided by COMs the previous year. Number of Students with Aid is from financial aid data collected in the 2013-14 Annual Osteopathic Medical School Questionnaire. Data within this column cannot be summed because students can receive multiple awards.
