

AMERICAN ASSOCIATION OF COLLEGES OF OSTEOPATHIC MEDICINE

2016-2017 Academic Year Entering Student Survey

TO THE STUDENTS: Your opinions and attitudes about your medical education, your plans for medical practice, and information about your debt are very important as the colleges and the osteopathic profession develop and plan for the future of osteopathic medical education. Please take some time to complete the following questionnaire to help in planning the future of osteopathic medical education. The information you provide in this survey will be reported only in aggregate or summary form; individually identifiable information will not be made available to the colleges or other organizations. The reason we ask for your identification is to allow for longitudinal studies linking your responses as first year students to your responses when this survey is readministered again in your fourth year.

Please use the survey's navigation buttons (e.g. BACK, NEXT) to move throughout the survey. Do not use your web browser's forward and back buttons to move through the survey. Please do not complete this survey more than once.

Part I: CAREER PLANS

Classes entering osteopathic medical education beginning in Fall 2016 will be part of a changing Graduate Medical Education (GME) environment. With the move to a single GME accreditation (see more information at www.aacom.org/singlegme) there will be a new and different process of GME/residency matching and placement. Please respond to the next set of questions based on your current knowledge and understanding.

Please indicate your plans immediately following graduation.

- Transitional year
- Residency
- Governmental/military service residency
- Undecided

In the single GME environment programs may apply and receive an "Osteopathic Recognition" designation, which indicates that the training program has "osteopathic focus".

Do you plan to seek a GME program with "osteopathic focus"?

- Yes
- No
- Undecided

Please select ONE item that best describes your plans for board certification.

- Osteopathic AOA boards**
- Allopathic ABMS boards**
- Both AOA and ABMS boards**
