

AACOM Financial Aid Debt Management Modules

For 2020 Osteopathic Medical School Graduates

Presented by Jason DiLorenzo, President & Founder, Doctors Without Quarters

AACOM is pleased to offer this online series of educational debt management modules as a resource to osteopathic medical students and graduates to help them borrow strategically and ensure they are prepared to responsibly repay their loans as they become practicing physicians.

Five Financial Aid Debt Management Modules

1. Borrowing Considerations and Repayment Options

2. Student Loan and Financial Best Practices

3. Choosing Between Federal and Private Repayment and Forgiveness Programs

4. Modern Student Loan Repayment Case Studies for Today's Osteopathic Medical School Graduates

5. Managing Your Income and Finances Early in Your Career: Strategies for Osteopathic Medical School Graduates

The Commission on Osteopathic College Accreditation recognizes the AACOM Financial Aid Debt Management Modules as a valuable, supplemental benefit to the counseling COMs must provide students to assist them with financial aid applications and debt management.
