

Source: AACOM, Annual Osteopathic Medical School Questionnaires, 1968-1969 through 2023-24 academic years.

Enrollment numbers include repeaters and decelerated students in the years in which they are taking classes. The "Undisclosed" category consists of students who did not self-designate a gender and therefore are not included in the male or female category. "Percent Female" is based on students who disclose gender.

Total Enrollment in U.S. Osteopathic Medical Colleges by Gender
