Note: Figures may not sum due to rounding.

Note: The number of total awards may be higher than the total number of students issued awards since the same student may receive multiple awards. Therefore, each award issued per student is counted while the student is only counted once to avoid duplicate student counts for an accurate comparison to total 2021-22 student enrollment.

A "*" indicates an additional location that reported its enrollment data with its parent campus prior to the 2022-23 Annual Osteopathic Medical School Questionnaire; therefore, 2021-22 enrollment data is included with its parent campus and cannot be separated for viewing purposes.
