"Average Graduate Indebtedness" is based on data AACOM's member colleges of osteopathic medicine (COMs) provide for AACOM's Annual Osteopathic Medical School Questionnaire and Choose DO Explorer website. Unless indicated, "Graduate Indebtedness" is based on 2024 graduates. Averages are calculated for each cost of attendance category per class year; tuition and fees totals are an average of in state and out of state amounts where applicable.

Notes

¹Personal expenses include transportation, insurance and COMLEX fees.

"N/A" indicates graduate indebtedness data are unavailable.
A "•" indicates 2023 graduate indebtedness data.

An "—" indicates a member COM did not have a class enrolled for that year due to its inaugural class start date or program availability for that campus.

An "*" indicates an additional location of its parent campus and cost of attendance data have been separated for reporting purposes only.

²Tuition and fees are based on the average of in-state residents (\$26,500) and out-of-state residents (\$41,600); 97% of SHSU-COM students are in-state residents.
