

AACOM ClinEd ACCELERATOR

Hacking the Future of Osteopathic Clinical Education

September 1 - October 13, 2026

Share Your ClinEd Accelerator Badge

Show your involvement in the *AACOM ClinEd Accelerator: Hacking the Future of Osteopathic Clinical Education* by adding your badge to your email signature and sharing it on LinkedIn.

Add Your Badge to Your Email Signature

1. Download and save your badge image to your computer.
2. Open your email signature settings, insert the badge as an image
3. Resize it as needed. If your email platform allows, hyperlink the badge to the AACOM ClinEd Accelerator webpage, so others can easily learn more.

Share Your Badge on LinkedIn

1. Create a new LinkedIn post and upload your badge as an image.
2. Add a short message about your involvement in the Accelerator and tag [@AACOM](#) to help us celebrate and amplify your participation. We've provided sample copy you can customize and share below!

Option 1:

I'm excited to be participating in the [AACOM ClinEd Accelerator: Hacking the Future of Osteopathic Clinical Education](#), a six-week virtual hackathon bringing together the osteopathic medical education community to develop solutions to challenges in clinical education.

Looking forward to collaborating with colleagues, sharing ideas, and helping shape new approaches to the future of clinical education!

Option 2:

I'm proud to be participating in the [@AACOM ClinEd Accelerator](#), a six-week virtual innovation challenge focused on tackling some of the biggest challenges facing clinical education.

I'll be working to develop solutions that strengthen clinical education, expand access to care, and improve health outcomes.

Looking forward to contributing ideas, learning from experts and colleagues and helping shape the future of osteopathic medical education.

Option 3:

Innovation starts when people from different backgrounds come together to solve difficult problems. That's why I'm proud to join the [@AACOM](https://aacom.org) ClinEd Accelerator, a virtual hackathon bringing together the osteopathic medical community to develop practical, scalable solutions that can strengthen physician training, support underserved communities and help build a healthier future.

I'm excited to shape what's next for clinical education and hope you'll join me and learn more: aacom.org/ClinEdAccelerator #ClinEdAccelerator

Option 4:

I'm proud to be participating in the [@AACOM](https://aacom.org) ClinEd Accelerator this fall! Looking forward to collaborating with innovators across the osteopathic medical education community to develop solutions that strengthen clinical education and shape the future of patient-centered care. Join me and learn more about this work: aacom.org/ClinEdAccelerator #ClinEdAccelerator
