

2011 Faculty Development Workshop

Integrating Osteopathic Concepts in the Assessment of Learners

Joint AACOM & AODME 2011 Annual Meeting

Saturday, April 16, 2011, 1: 00 to 5:00 pm

Marriott Baltimore Waterfront

Laurel A, 4th Floor

**Recommendation of the Dean of your COM and
Registration required**

Approved for four hours of CME

Learning Objectives

1. **Understand the perspectives** people have on faculty development and identifying the value of participating in a faculty development program.
2. **Identify effective assessment tools** that clearly integrate osteopathic concepts in clinical precepting and training settings.
3. **Define the characteristics** that will promote the integration of osteopathic principles and practices when there is feedback and evaluation between a learner and supervising physician.
4. **Present a practical application** to assess, give feedback and evaluate learners using the “One Minute Osteopathic Preceptor” model program that is beneficial in an osteopathic pre-doctoral, post-doctoral, or community-based setting.

Agenda

1:00 – 2:00 pm	Introduction to Faculty Development
2:00 – 2:30 pm	Clinical Precepting in Primary Care/OMM
2:30 – 5:00 pm	The “One Minute Osteopathic Preceptor” Model in Primary Care/OMM”

Presenting Faculty

Tyler Cymet, DO

Michael P. Rowane, DO, MS, FAAFP, FAAO

Evelyn A. Schwalenberg, DO, MMEL, FACP, FACOI
